THE SENSORIAL COCONUT RITUAL

Immerse yourself in the sensations of this coconut-based relaxing and nourishing ritual capable of repairing the most punished skins. An authentic sensorial experience that takes the senses to the utmost in relaxation while providing an in-depth treatment of the skin.

INDICATIONS OF THE TREATMENT:

Treatment indicated for dry and dehydrated skins.

FREQUENCY OF TREATMENT:

Undertake a monthly treatment to ensure a correct moisturizing of the skin.

STEP BY STEP

(Duration of treatment: 1 hour 30 minutes)

1. Begin the treatment doing a massage with **Relaxing and Preparing Balm**. Spread the product over the area to be treated and work it in with gentle manoeuvres of effleurage until absorbed by the skin. At this point we perform specific massage with the coconuts.
2. After the massage with **Relaxing and Preparing Balm** and without cleansing the skin, exfoliate with **Sweet & Salty Massage Peel**. Spread the product on the skin and work it with gentle movements. Do not remove.
3. Then apply **Coconut Pulp Body Wrap**, mixing 250 gr of the pack with 250 ml of water until obtaining a uniform mixture. Apply on the area to be treated and finally cover it with film. Leave it exposed for 15 minutes.
4. After the exposure time, remove the product with a shower or manually with cotton mitts and finalise by applying **Coco Body Milk** with gentle movements until it is fully absorbed.

Continuing at home:

Double Body Peel

Double action exfoliate: fossil granules and glycolic acid that eliminate the dead cells leaving the skin smooth, uniform and silky.

Apply the product on the dry skin and massage gently.

Then rinse with water.

Undertake the exfoliation once or twice a week.

Daily treatment

Coco Body Milk

Moisturizing body lotion formulated with coconut oil with smoothing and soothing properties.

Apply daily with a gentle massage until fully absorbed.
